freight of any kind is being received, except a little dressed beef and coal.

The loss to the road is what would have been otherwise gained by about

the Knights.

Larga.—It is reported that the striking vardmen of the D. and H. at Green Island have returned to work in a body.

# WEBB LEFT IN POSSESSION.

Local Knights Inactive Pending

Railroad, particularly Vice-President all be present as individuals. Webb, have their eyes turned to-day towards the West and Terre Haute, where the Supreme Council of the Federation of Railway Employees is in session.

Supreme Council would keep its hands off the present Central troubles.

"I believe," he said, "that the Knights will have to go it slone in this matter. I do not think that the firemen will go out. As far as we are concerned we are doing excellently, and the trains, both passenger and freight, are running right up to the handle.

"This morning our notice to all agents."

This morning our notice to all agents that we would accept all freight went into effect, and so far we have received no reports of any trouble. Along the line of the road everything is quiet and we are getting our varis at West Albany and a Buffalo gradually into shape again.

He said further that he was investigating the property of the said further what he was investigating the property of the said further what he was investigating the said further what he was not said the said further what he was not said the said further what he was not said the was not said the said further what he was not said the was not sai

ting the charges made by Mr. Powderly that several foremen in the Company's employ were taking money from sub-ordinates to retain them in their posi-

Gen. Supt. Voorhees now occupies the desk of General Manager Toucey, who is on the road personally supervising matters. He told an Eveniso World reporter this morning that all the agents were receiving freight this morning for all points along the line, and that the situation of affairs was very quiet.

ACCUSING CHIEF ARTHUR. The attitude of Chief Arthur, of the

n the present complications.

day great pleasure was manifested over the recent of a cable from London stating that at a meeting of 5,000 dock laborers, held vesterday, John Burns, the labor agitator, presiding, resolutions were passed expressing sympathy with the American Knights of Labor in their strike on the New York Central Railroad and hope for the success of the Knights. A copy of the following telegram was also posted on the bulletin:

The North of the Bulletin:

T. V. Pouderly, St. Cloud Billet. New York:

District Assembly 48. in session assembled, to-day manimously resolved to stand by you in the position you have taken, knowing that the cause of labor is safe in your hands. Financial aid will be forthcoming, you can depend upon us to do our duty.

The Maniette State of the State of

The Knights are informed that their Cincinnati brethren, representing an active membership of 6,500 knights, had perfected arrangements for seven meetings to be held in different parts of the district during this week.

CENTRAL LABOR UNION AID.

The resolutions, which were unani-cously adopted, follow:

mously adopted, follow:

"Reseased, That the Central Labor Union do bareby demand that the tentrees of the failed States shall, at once, antionic and instruct the Scarciary of War to select the said variety of the tentree of the pension of railroads and obside the same at cost of rail coals and obside the same at cost of rail coals and obside the same at cost of rail coals and obside the same at cost of rail coals and obside the same at cost of rail coals and the public and the beautinest of the beautinest of the framework for the pension of the public and the public an

MASS-MEETING TO-MORROW NIGHT. The Central Labor Union will partie pate officially in the mass-meeting which has been called for 8 o'clock to-morrow

have been otherwise gained by about 33,000 cars."

When the Conference adjourned for dinner. Mr. Powderly declared to The Evening World correspondent that whatever may be the outcome of the Terre Haute conference, the fight against the Central road would be waged with all the energy at the command of the Knights.

Later.—It is reported that the striking vardmen of the D. and H. at Green Island have returned to work in a body.

speakers.

The Federation of Labor has decided News from the West.

The local Knights of Labor and the management of the New York Central meeting, but its members will probably PREMATURE JOY POR WERR.

At 1,0'clock Vice-President Webb said he had received word through a Produce Exchange despatch that the Federation at Terre Haute had refused to order a strike.

An Evening World reporter found that Traffic Manager Richardson had given Mr. Webb the information had given Mr. Webb the information had been supported by the production of the following family did some acrobatic feats.

The Haulon-Volter act, which ended in
